MEMORANDUM FOR: All NWS Regional Headquarters, Regional
Maintenance Specialists, Electronic Systems
Analysts, and Electronics Technicians Engineering
Handbook (EHB) No. 13, Series II distribution

FROM: W/OPS1 - John McNulty

SUBJECT: Transmittal Memorandum for EHB-13, Series II,
Issuance 01-07

1.   Material Transmitted:

Advanced Weather Interactive Processing System (AWIPS),
Section 3.3, Pen and Ink changes to AWIPS Software Patch
Modification Note 17, New "routerShefEncoder" 5.0
executable.

2.   Summary:

The Pen and Ink changes to AWIPS Software Patch
Modification Note 17 emends part B, step 5 and deletes
part C.

3.   Procedure:

Perform the following pen and ink changes to AWIPS
Software Patch Modification Note 17.

a.   On part B, step 4 annotate a space between
"......./routerShefEncoder" and "ds2:.......". The
command should read as follows:

rcp -p ds1:/awips/fxa/bin/routerShefEncoder ds2:/awips/fxa/bin/routerShefEncoder

b.   Do **not** perform the test described in part C. With a
pen, cross out part C.

4.   Effect on Other Instructions:

Perform the pen and ink changes to AWIPS Software Patch
Modification Note 17 as described in the procedure above.
